“ *Aunt Patsy was one of my favorite aunts. She was always so welcoming no matter if it was a short visit or to spend the night. My mother loved to come visit and they spent many an hour over coffee and dessert in her kitchen. Mike, I know how hard it is to lose a mother and Carrigan, a grandmother, but you have beautiful memories to sustain you and keep you moving on as she would wish for you. My heart breaks for you as you go through your grief. Know that we are there for you and you are in our prayers.*

“ Even though I was just kin to her by marriage she was always so special to me. She was always so special and kind to me and made me feel a part of the Barnes family. She was so gracious to let Amanda live with her when Amanda was a senior at UNCA. Amanda she was accepted as part of the family. She loved spending time with Cardigan. Thanks again for always making us feel a part of the family

“ Mike I send you my deepest sympathies. I loved her and I enjoyed working for her and your father at the answering service when I was in high school. I will never forget how proud they both were of you and your musical achievements and your talent.

“ I have known Patsy for many years she was one of the sweetest and best friends in the whole world to me. The last time I visited her at the Brian Center the last words she said to me she told me how much she loved me I will always remember her and will miss her very much I am thankful for her friendship I loved her dearly. We always had fun when I use to take her shopping and out for lunch a couple of years ago.
