“ *Dear Valerie and family,*

*I am so sorry for your loss. Patsy was such an inspiration to me and so many others. As a volunteer she worked diligently and was so encouraging to the patients she talked with. She always had a smile and something positive to say each time I saw her. She certainly touched my life. She was a role model in making the best of each day!*

*I will miss her but so glad I had the opportunity and honor to know her. I am sorry that I am unable to attend her memorial service today ( my father is ill and I will be with him this week-end).*

*Thinking of you during this time and my prayers are with you,  
Janet Magruder*

*Thank you so much for your kind words Janet. My mother loved working with you so very much. Your program , and its mission was so important to her. We hope that your father feels much better soon.  
Sincerely, Valerie*

“ *Dear Valerie & Family, Pat & Hicks were dear friends of ours! We knew them for many great years! Pat was one-of-a-kind! A very elegant lady with a great BIG heart! Always helping others, and expecting nothing in return. And no matter how she might feel, she was always concerned about others and their families. She will never be forgotten! She sure loved you Valerie, and the family. In our e-mails to each other, she would share any news about you with us and she was so proud of all of you! Our love and prayers of sympathy are with you all at this time. May God grant you His peace that passeth all understanding. God Bless You.  
Love and Prayers.*

“ Valerie and Family, We are so sorry about Pat's death. She was very special to us and we will miss her so much. Elaine conversed with her every day by e-mail and we kept in touch. These times will be missed. She has been a very important part in the lives of the Duncans for a long time and we will miss her so much.
