*I'll always have Philip in my heart, one of the most friendly and considerate men I have ever had the pleasure of knowing. Always with a kind word and a friendly smile. I know he will be missed by anyone who knew him. May his memory be eternal and may your family be at peace knowing he is now flying with the angels and his beloved Elizabeth*

“ *Your father was the first to welcome the boys and I to the neighborhood- he secretly nailed my garden beds together and brought in bags of topsoil to get us started, so very kind to us. We will all miss him. Thinking of all of you, knowing his legacy live on*
