

Reagan Henry

April 17, 1981 - June 23, 2020

Reagan Henry, age 39, died on Tuesday, June 23, 2020. Reagan was born in Micronesia and was the son of the late Andreas Henry and Lolihda Pelep of Micronesia.

In addition to his mother, Lolihda and his daughter, Maylola of Asheville, Reagan is survived by his five brothers, Anderson Henry, Henry Henry, Gordon Henry, Norwood Henry, Curtis Pelep and their spouses and children; a girlfriend, Edlynne Alex of the home and a loving extended family of aunts, uncles, cousins all who will miss him very much.

“ *Dear family,
I have never been so shocked to read about Reagan's passing in July 7th newspaper. I worked with Reagan many years ago at Aston Park HCC. He was the best. He was so friendly & dependable & everyone loved him. He was one of my best CNA's. I am still having hard time accepting this terrible news. Woody, you are a miracle to have recovered from the evil virus but so very, very sorry for what you and your family are going through. Cherish your memories. My most heartfelt condolences to Reagan's family & friends. RIP Reagan!*

“ Both Woody and Reagan Were so kind And caring to my mother, Ann Wall , until her death at Deerfield three years ago. We used to talk to them and We’d all say that if things get any worse here, we’d all move together to Micronesia. We are so sorry for this tragic loss. The family of Ann Wall.

“ You ALWAYS scared me, but finally that one day on back of west hall I crouched down on the floor hiding while watching you finish your charting. You had no idea I was there. Soon as you turned the corner I grabbed your leg and growled. I did it! I finally got you back! I scared you so good you yelled out and jumped so far up off the floor and it was golden!!!😂 I’ll never forget it.

“ It has been many years since I last saw Regan and Woody, but news of their illness and Regan's death brought back many fond memories. I started my nursing career as a Nursing Assistant at Deerfield 9 years ago and recall learning and laughing from Regan and Woody. That influence and memory will live on.

“ Gigantic condolences to all of Reagan's family and friends, including me. Every now and then we suffer a loss in life that is almost unbearable. Having Reagan leave us at such a young age fits into that category, but shed one less tear when you remember how much he has accomplished in his life and take solace in knowing that his suffering is over now.

He was the consummate professional and great bringer of joy. As a patient in skilled nursing last year, I had ample opportunity to experience both sides of this incredible CNA. He always seemed to do everything the right way, and with a gentle touch and a big smile. Occasionally I would be having a bad day, and guess who would magically show up in my room at exactly the right moment? Great shucking and jiving would begin between us about his beloved New Orleans Saints and my Carolina Panthers; or perhaps a discussion of music would take place. END OF MY BAD DAY!!!

“ I worked with Reagan for many years. Night shift mostly
He always called me King. (Elvis)
I've met a lotta people in my 62 years but Reagan was in my top 5
as a great human being. Never minded helping you at work. Always
smiling and caring about others. When God created Reagan he did
some of his best work.
A real true example of a man. That cared for others. I'll see you
again brother. Rest In Peace.

“ As a resident's family member, Reagan saw us through one of the hardest times of our lives. He loved us the minute he met us, and my father trusted him and confided in him explicitly. That smile, that kind presence and his constant care and attention to all of our family members will bless us always. Fly high, sweet friend. Big Daddy will be so glad to see you again.

“ *Dear Reagan,*

I am so heartbroken over your passing. You were a wonderful CNA and a great person. You were an absolute joy to work with. You never complained... Always willing to listen and help.

It always amazed me how you were so incredibly compassionate and sincere with residents, but the biggest jokester with your team.

I'll never forget your smile or laugh. You are greatly missed and unimaginably loved. I'll treasure all the memories of our friendship. Thank you for the joy and love you freely shared with everyone you encountered.

Sending much love and prayers to your family! ❤️

“ Reagan my heart is broken in a million pieces. I always had to look for you cause I never knew where you were hiding to scare me to death. I can say you was one in a million and got me all the time. I can remember one time I was coming out of a room and you were behind the wall in the floor and grabbed my leg I thought I was going to have a heart attack you thought it was so funny. I have many more stories I could tell but that one was the best. My dear friend I am going to miss you and I will never forget you. So please shine in Heaven like you did here on earth and I know when I get to heaven you will be hiding behind the pearly gates to get me again. Love you my Friend Fly High!

“ Caregiver- Reagan Henry
That is who he was always giving - that smile - that energy - that daily joy written all over his face -that brothers keeper❤️.
Honored to have hired and worked alongside him. To have mentored and learned from him. To have laughed so much with him. Never once did he not rise to any situation. Never once did he complain or shirk responsibility.
Thank you Reagan for all you gave us and for setting the bar high for any caregiver to follow and for giving us all something to aspire to as we all need to be more like you to our brothers and sister in life .. and keep and treat each other the way you treated everyone
