“ *I was saddened by the news of Dick's passing. I met Dick several years ago at the YMCA, and enjoyed his insight and opinion on political and financial matters. He spoke often, and was very proud of his beautiful family. He was a very dedicated member of the YMCA, and always had a smile on his face. I will miss his friendship.*

My thoughts and prayers are with the family he so dearly loved.

“ *I have many fond memories of band practice and concerts - playing the flute and piccolo next to Richard with the Land of the sky Symphonic Band. I still use the Flute stand that he made for me. My condolences to Irene and the family. Richard was a dear sweet man that will be sorely missed.*
