“ *Mr. Dick Whittington was the 1st employer to hire me in Printing, at his Groves Printing Company....I was a Nurse, and was very interested in printing. This big 'break' gave me many opportunities in the Printing field. I met some fine people (coworkers) there. I would stay in that field for some 15 or so Years.*

I miss those days.....

May This Family know The Lords Comfort & Peace now and forevermore.

“ I am so sorry for your loss. Although, I do not know your family personally, I would like to share some encouraging thoughts from the Bible. The Bible provides comfort during these difficult times. Revelation 21:3-4 states, And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away. Very soon now, we will never experience losing our loved ones in death. May these words give you a new hope.

“ I will always remember my first day at Grove's Printing. Dick read my application, told me to go eat some lunch, ,and come back ready to work! I went back and thought what have I gotten myself into! Larry was on vacation that week. I never thought I would have accomplished what Dick taught me. I was always treated like part of the family and will always have good memories. Making coffee and keeping Baby (Dick's cat) fed was always the first thing Dick said that must be done before anything. Rest In Peace Dick.I know you will be missed by many. God Bless all of the family. My prayers are with you all.

“ Remember riding in back of Uncle Dicks pick up and Uncle Dick and Pop were riding up front. I started sounding like a a siren. Uncle Dick was looking all around. Looking for the police. Pop looked said to Dick. That's just little David in back. He turned and smiled with the cigar in his mouth. You be missed. Uncle Dick.

Little David.
