“ *As we were growing up, Aunt Rita and Uncle Mel opened their home to us more times than I could count. We always looked forward to gathering on Anderson Way for Christmas dinners and Passover Seders. (Yes, we are a unique lot). As time passed and our families grew and many relocated, new traditions began, replacing family gatherings of the past. However The family gatherings at Aunt Rita and Uncle Mel's will always hold a very special place in my heart and leave wonderful memories that I reflect on often. I am eternally grateful To Aunt Rita as well as Aaron and Anna for many things. She will be very fondly remembered.

“ *Aaron and Anna, our hearts go out to you. Rita was a beautiful lady, light and sweet and quick with a smile. She made aging gracefully every bit of what it should be. She was always ready for an adventure even trying her hand a raising chickens (...what?!?). A truly great spirit on all accounts and a very bright soul. She was very lucky to have you both to treat her so well!
Love to you both,

“ I didn't know when I kissed you good bye when I left you on Tuesday, that would be our last good bye. I have been blessed with Rita's presence for the last two years she was in North Carolina as her care giver/companion and friend. We were bonded to each other since we first met after her accident on her arrival home. We shared so many wonderful times together and lots of laughter. I will miss my friend and she will always be in my heart.
