“ *Robbie, Tommy, Cindy et al,
What a tremendous loss for you guys. I learned of Bob's death yesterday an, e-mail from Tom Orr. I thought of Bob often and how he was doing. What a great man, and I have many great memories about being with him. His most endearing quality was that of the encourager. He always had such a positive outlook and was a great mentor for me. I'll always hold him in high regard and I regret not seeing him in his later years.*

My mom is still living and will be 92 on monday. She lives by herself, still raises a garden, has chickens, and drives. What a blessing to still have her. I am still in Houston, married with 2 sons, 19 and 23.

I will be thinking of you guys during this difficult time.

“ *Dear Family,
we met Paw Paw only a few times. Each time we were surprised to see, despite his age, how well he was doing, how well he went along with youngsters, how much he loved nature and most of all his Family. Keep the memories of a great and respectable man alive. Know we share the pain you feel by loosing your grandfather, despite his age, too early. Henny and Alfons.*
