“ *Forever imprinted in my soul are the cherished times and memories of my Uncle Bobby. A man who's kind and giving nature touched many lives with his generosity and love of people. A mentor in my, as well as my children's lives.*

With a smile I think of the boxes of candy he sent me, as well as my mother, Helen Cline Thomas Gullede, on every occasion. Memories of Hobo, Little Pigs Barbecue and Majestic Views from his mountain home....

Rest In Peace Uncle Bob

“ I was absolutely saddened to hear of Bob’s passing. For the last four years I have been one of those instructors who was at opposite end of the pool when Bob was paddling around at the deep end. He was a great guy and I’ll always remember the many times he made me smile with his kind words. Often after we both were out of the pool and he was waiting for his ride we would talk. He was truly a Southern gentleman. There is a great emptiness left by his passing, but I am certain that the strength of the love that you and your family share for each other and for him will get you through this difficult time. May that love honor his memory and may you cherish the time you had together as we will cherish our memories of him at the Y.

“ *Mr. Robert Cline was BC to me. We met in the pool at the YMCA and over time became the closest of friends. We were part of the deep end warm water crew that exercised some and talked and laughed more over many happy years. BC quickly became one of my best friends in this life. And if things got a little noisy while the class was going on at the other end of the pool, BC and I were most often the ringleaders of the mayhem. He has long been a man of many experiences, fierce intelligence, unending friends, and quiet works of charity that he conducted without saying much about it. He adored his wife, Louise, and spoke of her and their years together deeply and frequently. He never stopped missing her. He was a fine man of integrity who brought more joy and laughter into my life than I ever could have imagined. I will always miss you BC. Bonnie*
