“ You were one of the brightest, inspiring, and joyful students. I remember the pleasure you brought to those around you in the classroom. I didn't realize you were still with the bank, but I am not surprised. You were one of those no one would have ever given up. Memories, sweet memories.

“ *Rich,  
My heart is heavy for you as you grieve the loss of Sandy. No human words can ever take away the pain but know that God is near and is with you during this time of loss. Draw near to him and he will draw near to you. May you feel the love and support from the many people praying for you and may you find peace and strength now and in the difficult times ahead. I have such wonderful memories of our fun times with Sandy. Someone so special can never be forgotten. She brought so many gifts to my life! Thank you Sandy, for all the laughs, the smiles, all the tricks we played, and for letting me be part of your life. Thank you for being my friend. May you rest in peace.

“ I am so saddened to hear this. I know Sandra ' s upbeat personality, she would tell me not to be sad, but rather be glad for she is in the presence of our Lord! Although it's been some years since I have seen Sandra, growing up I always looked up to her as I hung out on White Hill. I pray that Ruth will find comfort in knowing so many people loved Sandra and I will be keeping all the family and friends in my thoughts and prayers as they make it through this difficult time.
