“ *Dearest Knox, Cynthia, Judy and Barbara,*

Just today I learned of Sarah's passing. I am so very sorry that the McGuire family was not able to be with you during this sad time in your lives.

Your Mother was a terrific neighbor and a faithful friend. I'll always cherish the wonderful memories of her and the entire Garmany family during those wonderful years on Lakeshore Drive. I think you each of you often and have often wished that it was possible to turn back the clock to those happy days.

Sarah was very proud and loved each of you so dearly...remember that love daily, carry it in your hearts and you'll always have her with you.

Carla, Joey, John and Missy join me in sending our deepest and most heartfelt sympathy.

Fondly and lovingly,

Martha

“ Knox: We were so sorry to hear of the death of your mother. When that last parent dies, there is the realization that we are now the older generation, which is hard to believe! We send our condolences to all your family and pray that God will be with you all as you grieve. Time is a great healer and will you will be filled with wonderful memories of your times together.

“ Barb, I am so sorry to hear of the passing of your mother. She was indeed a special lady. Although she thought I was going to influence you with my wild and wicked ways during our growing up she did tolerate me and us being friends and accepted it. With all your mom had to go thru she remained a very staunch beautiful lady. I cannot ever remember one hair on her head ever being out of place, and her manners were impeccable. Indeed a true lady. If you need anything my friend please do not hesitate to call me my cell is 712-8923 lets get back in touch.
