It's hard to realize it's been 10 years since we saw your smile, laugh , love for your family and friends. Seems so unfair that you left us. I shall always love you.

“ Joe, although you do not know me, I feel like I know you as Susan often spoke so fondly of you and her beloved grandchildren. We would share stories of our families and she LOVED being Nana!! She was a pro in her job and was everyone's "go to" girl. If you wanted something done, you went straight to Susan! She and I were colleagues at Mission for years and we would often banter about when we would retire and what we would do once free. I know that she is truly free now. God be with you and your family, Joe. Thanks be to God for Susan's life!!

“ Joe, I never had the privilege of meeting you but I want you to know that I worked with Susan at Mission Hospital for over 11 years prior to my retirement in February of this year. I knew Susan first as a professional who took her job very seriously and gave me and everyone she worked with nothing but the very best in conscientious service. But I also knew her as a wonderful friend who, like me was closing in on a much anticipated retirement and could not wait for that time to come! We exchanged countless stories of our grandchildren as she loved to view the pictures displayed in my office and I so very much enjoyed the pictures in hers! What a beautiful family you have!

My heart hurts to know she will never realize her retirement with you but, more importantly she will never spend more time with all the people in her life that gave it meaning! Her family and especially her beloved grandchildren will certainly miss such a loving and devoted Nana! It is my hope that the memories of her special life will help sustain all of you during this difficult time. May God bless you all and give you comfort.

“ I am so sorry for your loss. Although, I do not know your family personally, I would like to share some encouraging thoughts from the Bible. The Bible provides comfort during these difficult times. Revelation 21:3-4 states, And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away. Very soon now, we will never experience losing our loved ones in death and we will be able to see them again once they resurrected as per John 5:28-29. May these words give you a new hope.

“ I was a vendor at the hospital and had the pleasure of working with Susan over the past 15 years. As another vendor also mentioned I would come by and catch up on mostly family. She was a very fine women and it was evident she loved her family dearly from all the conversations we had together. It was a pleasure knowing Susan and working with her over the past years. My thoughts and prayers go out to the family.
