“ *I wake in the morning to you gone feeling the new days excitement fade away instantly , no coffee smell lingering through that blue house you loved so well, no requests for a ride to the store to grab some treats or to just escape and start a new adventure for the day . I miss you today mom , I will miss you even more tomorrow , and when I'm gone I pray I will find you again . Love you Mom*

Your mom was a beautiful woman. I loved her and your dad as well as you and John. Your family was like a family to me. Her smiling face will be missed. Lots of love and prayers sent your way.
