Dearest True and Butch, Please accept my condolence for the lost of your mother. She always had a smile and loved to talk and laugh. My heart is with you. Linda

“ *Seems not so long ago when we were kids and Aunt Thelma would always come to the house on Christmas day and bring me my very own box of store bought Chocolate Covered Cherries! We didn't get much store bought stuff back then. Seems you were always smilin when there was often not a lot to smile about. The love and support you and yours gave me during many dark days in my life. Mama always loved to see you coming. We have shared many laughs and tears over the years. I have been blessed to have such a special Aunt and to be part of such a loving family. Now you can finally have a reunion where you don't have to cook the food. I love and miss you and will make it to that reunion one day. Love and Hugs, Paula*

“ *Thelma is one of those spirits who remains constant in my memory. My Dad and Mother, Fred and Avalene Lewis were friends and neighbors of the Love family. When we were children we attended Oteen Baptist. Thelma's beauty was overwhelming...a lovely face and a generous spirit. I am sorry for your loss.*

“ *You'd be hard-pressed to find a finer human being than Thelma "Mimi" Love. And no one I've met got more out of life than Mimi did. A woman of tremendous faith, she was always concerned about others before herself. She adored her family and was a treasure to all who were fortunate enough to know her. I hadn't seen her in later years, but I will never forget the family gatherings, delicious homecooked meals, love and laughter that were always a part of life at Mimi's house. That is how I will always remember her. That, and the legacy of loving family members she leaves behind...all of whom she loved very much. And who loved her back. RIP, Sweet Mimi. Heaven gained an amazing angel last Friday. We should all rest a little easier knowing that...*

“ I will always cherish my special times that I had with my Mimi. We have talked and laughed and prayed together about everything. She will always be remembered for her precious loving ways and always being there for her family and friends. These last years have been hard knowing that her mind was slowly slipping away but each moment has always been special. My heart is broken knowing I will not be able to go and see her, but in my heart I know she is with God and her family that have gone on and that she will be watching over us all. Most of all she does not have to be tortured in her mind anymore. You are precious. I love you and will miss you with all my heart! Trudy babe

Mimi was a very special lady. The things she enjoyed in life most was serving God and others. Her Grandchildren and Great Grandchildren. There were many fun times spent with her as a family. We picnicked, had family dinners and many trips with her. She was like a second Mother to me and good memories will always live on. She will be missed by all who knew her. Like my mom she will have a new mind and body. She was just precious. Love her -daughter-in-law. Phyllis Jones Nelon
