“ *We were honored to know Tom for many years and share many memorable occasions (usually a birthday party for Ruth)! Tom was always kind and considerate and will be missed by all who knew him.*

*Ron & Jim*

“ *Tom thank you for connecting with me a long lost cousin thru 23 and me. It was so good to get to know you while we had this time even if it was long distance. You made the world brighter and I will miss you.*
