“ *It is always sad when we lose a good friend but with Bill it was more than that fact. He and I were very close friends in high school and at NC State back in the 50's and 60's. His mother was always so gracious to let us use her Oldsmobile convertible on weekends and there is no telling how many hours we must have driven around Asheville. Bill was one of a kind! He will be forever missed.*

“ Margaret, Katherine and Family - it was with great sorrow that I heard of Bill's passing. This wonderful man took me under his wing and gave me employment when I was in one of the lowest times of my life. He was kind, understanding, supportive and never went more than a few minutes without making me smile. He was wonderful to work for and with - and made everyone who worked at MSD feel like family. He changed my life - both personally and professionally, gave me confidence that had been destroyed, and allowed me to make a good living for myself and my family - and enjoy doing it. He was like a father to me and will always have a place of honor in my heart.
Unfortunately, I am out of the state at this time and unable to be there, but know that I am sending love and peace to all of you and to all those dear friends at MSD who knew and loved him and are grieving along with me.

Peace and blessings,
Sharon and Curt Walk

“ *Bill Mull is a living tribute to Sister Cities of Asheville. He stepped up to leadership when our organization was in a total state of disruption. It is a history that is totally unacceptable in an organization built on humanity for all. Bill's compassion and strength surged into all of our lives as ASCI overcame this disastrous time and rose as the Phoenix. We did not dissolve but emerged as the foundation upon which all of us continue our dedication as global ambassadors in love and compassion.*

Bill Mull has been widely acclaimed nationally for his leadership in his profession maintaining one of the purest water systems and purging drainage throughout this area.

Always with a glint of humor in his eye Bill's well known statement was, "All I do is dig the dirt." With honor he wore a golden spade on his lapel.

We grieve for this dear friend as he endured such suffering in walking his final path on this planet.

Each in your own way according to your beliefs please join us in offering solace and peace for his wife Margaret, daughter Katheryn and his two grandchildren.

*Warm regards to all,
Ken and Irene (Dillingham) Richards*
