“ Dear Rise - Your Bill was a ray of sunshine to all who knew him - his smile definitely lit up a room and brought joy to those in his company. Your tender loving care of him exemplifies the true devotion you had for this wonderful man.

I hope you always remember Bill with joy and thankfulness, knowing that he was such a treasure. Grief is not about forgetting, but about remembering. It's the remembering that gives you the strength to keep going. As you grieve your wonderful husband, please know that all of us are mourning along with you and that you are in our hearts, our thoughts, and our prayers. Take care - Becky Lasher
