“ *Bill and June were wonderful volunteers at The Lewis Rathbun Center for several years! They were there in the early years of the opening of the house welcoming families who had someone in the hospital usually due to an emergency situation. Comfort and empathy made all feel they had found their "home away from home" during their medical crisis. It was a delight to work with such beautiful folks as Bill and June. My thoughts are with their family.*

“ I am so sorry for your loss. The Bible provides comfort during these difficult times. Revelation 21:3-4 states, And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away. Very soon now, we will never experience losing our loved ones in death. Hope these words give you a new hope.
