“ *Polly, Kent and CJ,*

*I am so sorry to hear of your mom's passing. She was a great lady. She instilled so many great attributes in all of us (Sylvia, Trish and Charlene) growing up. From loading up on her bus and learning to respect to teaching us to thrive on the ballfield, she was a force to be reckoned with! The memories of your mom and family are still ones we treasure! I hope that in time your pain and sadness will lessen and you will be comforted by your memories of her. Prayers to each of you.*

“ I will never forget all the good times with Willie Mae. We started first grade together and graduated together. Each year when I would come in from Maine, she was the first person I would go see after my family. I knew we would have great visit. She would bring me up to date on "who was who" in all the pictures on her living room wall. She loved all of her family and was so proud of you.

“ I will always remember the "good old days" at Biltmore High School. Willie Mae was one of my closest friends. She was always happy and laughing and we had some good times. As years went on we tried to stay in contact with each other. Wish we could have spent more time together but life goes on and we have that wonderful promise that we will see each other again. To her family, you had a wonderful Mom. Remember the good times! Barbara Bailey Wilson
