“ I am so sorry to here about Winston. Although I did not know Winston personally I can imagine how difficult it is to lose a loved one. In times like these I can think of Gods promise in Revelations 21: 3,4 where we see his promise that their will be no more pain, suffering and death. May you find comfort in being able to see your loved one again. I will keep your family in our thoughts and prayers.

“ Dear Martin Family, We are still in utmost shock over Winston. Just found out today which was right after his funeral. He was such a special man to both of us, and we feel so grateful to have been neighbors and friends. Ira, thought the world of him and they always talked when he was riding bikes with the grandchildren. He will always be in our daily thoughts especially as we use the Edenpure heater and purifier which he sold us and maintenanced anytime we were in need. If there is anything we can do for you. please do not hesitate to call on Ira or any of our family. May God enrich you with his love and warmth during such a difficult time.

“ As I listened to Winston at Derek's funeral I shed tears; I could tell that he was talking from his heart and his love for not only Derek, but for the love of his family and God.
Although I only spoke to him a few times, I feel I knew him well from the many stories Aaron shared with me about him and his brother as they were growing up.
I want the family to know that my husband and I are keeping you in our thoughts and prayers.

“ *Becky and family, there are no words I can share to express how sad I am and how much I'll miss your precious husband. I will miss his beautiful smile and handshake or hug that he freely gave me as he came into church. He will truly be missed! My thoughts and prayers are with you through this valley. Wish we could be there to give you physical support at this time, but it's not possible. I'll be with you in spirit. I love all of you more than you know. God bless you all! Carol Hall*
